

C3 Sterilization Sink by Nuomi Wins Silver in A' Kitchen Furniture Design Awards

Nuomi's Innovative C3 Sterilization Sink Recognized for Excellence in Kitchen Furniture Design

COMO, CO, ITALY, October 21, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [kitchen furniture](#) design, has announced [Nuomi's](#) C3 Sterilization Sink as a Silver winner in the Kitchen Furniture, Equipment and Fixtures Design category. This prestigious recognition highlights the significance of the C3 Sterilization Sink within the kitchen furniture industry, positioning it as a notable example of innovative design and functionality.

The C3 Sterilization Sink addresses current trends and needs within the kitchen furniture industry by incorporating cutting-edge sterilization technology and optimized space utilization. This design aligns with the growing demand for hygienic and efficient kitchen solutions in the post-pandemic era, particularly in the context of smaller living spaces. The practical benefits of the C3 Sterilization Sink extend to users, the industry, and other stakeholders, offering a one-stop health solution that enhances the overall kitchen ecosystem.

What sets the C3 Sterilization Sink apart is its integration of medical-grade sterilization technology and a miniaturized drying unit, enabling professional-level sterilization in home settings. The sink features dual sterilization units, including UV radiation and hot air circulation, which efficiently eliminate bacteria while consuming minimal energy. The integrated compartment supports cutting board care and knife storage, simplifying operation for users. Additionally, the application of a multimodal sensor enables precise recognition for automatic start and stop functionality.
