ASAKUSA, TAITO-KU, TOKYO, JAPAN,
October 30, 2025 /EINPresswire.com/ --
Prime 1 Studio is proud to announce W
Elite 2, a 1/6 scale statue from
"Arknights," joining the Concept
Masterline series.

The piece presents W standing amid a battlefield environment inspired by the game. Her characteristic smile, distinctive outfit, and combat gear are reproduced with detailed sculpting and paintwork. Each element—from her jacket's texture to the detonator in her hand—has been carefully crafted to match her in-game design.

The base design includes a circular arrangement featuring smoke, flames, and debris, evoking the moment of an explosion. Steel structures and weapon details contribute to the visual storytelling, emphasizing the atmosphere of the scene.

This Bonus Version includes an additional accessory: the BABEL Logo Plate, representing an organization from W's past within the "Arknights" storyline.
