

Dreamscape Publishing Launch 'GOD IS HUNGRY' on Kickstarter: A Terrifying Historical Horror Comic Set in the Deep South

BETHLEHEM, PA, UNITED STATES, October 21, 2025

/EINPresswire.com/ -- [Dreamscape Publishing](#) is proud to announce the [Kickstarter](#) launch for its latest original comic series, God is Hungry. Written by Matt Tuck, this chilling story plunges readers into a desperate 1873 deep-south setting, exploring themes of faith, sacrifice, and survival against a nameless, ancient terror.

God is Hungry is a gripping tale centered on the harsh realities of the post-Reconstruction South. It follows a poor family of African-American sharecroppers desperately seeking a cure for their autistic daughter, May, whose prophetic nightmares hint at the horror to come.

Synopsis:

The family's search for salvation leads them to the mysterious and malevolent Riddle family, who have been waiting for May. The Riddles quickly escalate from benefactors to butchers, murdering May's family and taking the young girl as a gruesome tribute to their insatiable blood god. As the Riddles' path of violence stretches across the landscape, May must fight for her life and sanity, or be consumed by the entity that only demands one thing: more. And god is truly hungry.
