

# Safewaze Named Top Workplace 2025 by Charlotte Magazine

*Safewaze employees declare Safewaze as a great place to work for second year in a row*

CONCORD, NC, UNITED STATES,  
October 21, 2025 /EINPresswire.com/ --  
Safewaze has been awarded a Top Workplaces 2025 honor by Charlotte Magazine. This year's award follows the company's premier recognition in 2024.

DJ Harker, VP of People for Safewaze, states, "Winning the Top Workplace Award for the second year in a row is meaningful because it's based entirely

on the feedback directly from our employees. Our goal has always been to build a workplace where people feel seen, supported and motivated to grow. When our people are engaged and fulfilled, it drives innovation, collaboration and lasting success for everyone."

“

Our goal has always been to build a workplace where people feel seen, supported and motivated to grow."

*DJ Harker, VP People*

This mindset is reflected by Safewaze employees themselves. One production team member shares, "Joining the Safewaze team has been one of the biggest blessings I've received. All the staff is incredible, and management is over the top."

Companies are recognized based solely on employee feedback gathered through a third-party survey

administered by Energage. "Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. The confidential survey measures the employee experience and its component themes – such as respect, empowerment and personal development – aligning well with the Safewaze core values of Respect, Positivity, Urgency, Mastery and Precision.

Safewaze employees name Safewaze a great place to work
