CogNet*

CogNet’s President, Jeff DeLoach, will be onsite, engaging with industry leaders and exploring new developments in software technologies, trends, and solutions that are revolutionizing the PEO and tech landscapes. As a Diamond Sponsor, CogNet will showcase its cutting-edge BPM solutions, designed to help businesses optimize back-office functions.

“At the PRO Software Training Camp, we are eager to connect with fellow professionals and demonstrate how CogNet is transforming operations for PEOs and HR service providers,” said Jeff DeLoach, President of CogNet. “Our goal is to provide businesses with the scalable support

they need to navigate the challenges of today’s rapidly evolving technology space while remaining focused on their bottom line.”

Throughout the event, CogNet will demonstrate how its Business Process Services and Extended Office as a ServiceSM (EOaaSSM) can deliver real-time benefits to PEOs and technology companies, including:

- Seamless Scalability for high-growth environments
- Process Automation and AI-Driven Efficiency
- Transparent Pricing Models and predictable outcomes
- Enhanced Team Collaboration across departments
- ISO-Centric Process Optimization that ensures compliance

CogNet's approach helps businesses reduce operational costs, increase productivity, and scale effectively without the need for in-house support. For over 20 years, CogNet has helped PEOs and tech companies grow and stay competitive in a challenging market.
