A Divine Mandate to Heal the Nations

[Under the leadership of Pastor Chris Oyakhilome, President of Loveworld Inc.](#), the Healing Streams Live Healing Services have become the largest healing crusade in history — bringing the power of God's Word to millions.

"I have been sent to bring you healing," declares Pastor Chris.

"When I speak the Word, it doesn't matter where you are in the world — be healed of your disease."

Over the years, countless people have testified of miraculous recoveries — from cancers to chronic illnesses — confirming the power of Jesus Christ to heal today.

Miracle Testimonies

Realyn (UAE): Healed of breast cancer and completely restored after chemotherapy.

Maleo (Tuvalu): Delivered from tremors and dizziness as Pastor Chris called his name.

Hazel (United Kingdom): Set free after 20 years of anemia and heavy bleeding — "My doctor confirmed that I am completely healed."

Moserah (China): Healed of a liver abscess in the hospital — the pain vanished, strength returned, and joy overflowed.

A Global Wave of Prayer in Motion

In preparation for the October event, believers worldwide are participating in a 24-hour nonstop prayer chain through myprayerclouds.org, signing up for 15-minute slots to create a continuous stream of intercession.

From Lagos to Kathmandu, healing ambassadors are mobilizing in hospitals, prisons, and communities — distributing the Healing to the Nations Magazine and establishing physical and virtual healing centers across the world.

Faith and Expectation Are Rising

"My expectations are enormous," says Rishi from India. "I know I will receive my healing — and healing for my nation."

"That tumor disappeared in the name of Jesus," shares Priscilla from the United Kingdom. "I'm ready for my miracle!"
