

NATIONAL HIGH SCHOOL BASKETBALL ASSOCIATION ANNOUNCES 2025/2026 SEASON CULMINATING IN NATIONAL SHOOTING CHALLENGES

NEW YORK, NY, UNITED STATES, October 21, 2025

/EINPresswire.com/ -- The National High School

Basketball Association (NHSBA) proudly announces the launch of its 2025/2026 season, which will culminate in the prestigious NHSBA National Basketball Shooting Challenge Finals held during Final Four Weekend in Indianapolis in April 2026. As the leading nonprofit organization dedicated to advancing high school basketball, the NHSBA continues its mission to elevate student-athletes by combining elite competition with education, leadership development, and community impact.

“

The NHSBA's upcoming season represents the heart of what high school basketball is all about—determination, teamwork, and growth.”

Deuntate Copeland

The 2025/2026 NHSBA season officially kicks off in November 2025, with programs launching nationwide. In December, NHSBA will bring its signature youth basketball programs and community initiatives to New York City, featuring NHSBA Give Tuesday—a day dedicated to giving

back through fundraising, volunteerism, and student-athlete service projects. December will also mark the start of the NHSBA National Basketball Shooting Challenge fundraising events, uniting players and supporters across the country to help fund scholarships and youth development programs.

The new year will build momentum with a series of high-profile regional activations. In February 2026, events will take place in Atlanta and Los Angeles, followed by March showcases in New York City, Dallas, and San Francisco. These events will feature clinics, shooting competitions, and player development programs designed to spotlight emerging talent and inspire communities.

In April 2026, the NHSBA will host the Basketball Shooting Challenge Finals in Indianapolis during Final Four Weekend, bringing together the nation's top shooters for a thrilling finale broadcast live across NHSBA's digital platforms. The Finals will celebrate not just basketball skill, but also academic excellence, leadership, and perseverance—core values at the heart of the NHSBA mission.

From January through April 2026, NHSBA's official Basketball Leagues will operate in multiple regions, offering structured competition for high school players across the nation. The momentum continues in May 2026 with NHSBA Signing Days, honoring student-athletes as they commit to collegiate programs. The season will close in June 2026 with the NHSBA Regional and National Tournaments, followed by the NHSBA Youth Basketball Summit, where athletes, coaches, and industry leaders will gather to discuss the future of youth basketball development.

"The NHSBA's upcoming season represents the heart of what high school basketball is all about—determination, teamwork, and growth," said Deuntate Copeland, Executive Director at NHSBA. "We're proud to offer a platform that not only showcases athletic talent but also nurtures academic success and personal character. The National Shooting Challenges will be a celebration of everything these young athletes work for, both on and off the court."

Throughout the 2025/2026 season, NHSBA will continue to expand its reach through live events, digital broadcasts, and community engagement programs, ensuring that more student-athletes have the opportunity to compete, learn, and thrive. With strong partnerships, scholarship initiatives, and an education-first approach, NHSBA remains committed to helping young athletes succeed on the court and beyond.

Registration for the 2025/2026 season is now open. Teams, coaches, and players are encouraged to sign up through the official NHSBA website. Sponsorship opportunities are also available for organizations looking to support youth sports and gain national visibility through NHSBA's extensive network of programs and events.
