How Customers Can Create Their Own Figurines

As the 2025 holiday season approaches, Bobblegifts invites people to create gifts that feel personal and alive. Its new Holiday Edition [Custom Bobbleheads](#) let customers design every detail. Each figure can be made directly from a photo, with options to adjust facial details, hairstyle, clothing, body pose, and even the display base. The result is a small, handcrafted figure that reflects the subject's personality, work, or quirks with warmth and humor.

Every bobblehead is individually sculpted and hand-

painted by Bobblegifts' in-house artists, ensuring each piece reflects the likeness and personality of its subject.

"Our mission has always been to make memories tangible," said Alex Song, spokesperson for Bobblegifts Inc. "This holiday series allows customers to design something personal and meaningful for the people they care about."

A Variety of [Themes for Every Occasion](#)

The Holiday Custom Bobblehead Collection features over 60 updated designs that cover a wide range of themes and occasions. From workplace recognition and family milestones to romantic and festive gifts, Bobblegifts offers options that suit different personalities and moments in life.

Popular categories include profession-themed bobbleheads for teachers, doctors, and office workers; family and couple designs such as wedding, anniversary, or parent-child figures; hobby and lifestyle models inspired by sports, yoga, and music; and pet collections that recreate beloved cats and dogs as playful keepsakes.

Each design can be tailored to match the recipient's features and style, turning an everyday gift into something personal and long-lasting. All figurines are made with non-toxic, eco-friendly materials, reflecting the brand's attention to quality and safety.
