UNITED KINGDOM, October 22, 2025
/EINPresswire.com/ -- A Contemporary Take on the Traditional Festive Celebration

Spinners, the social gaming venue with locations in Reading, Solihull and Plymouth, has announced the launch of its new [Christmas Party Packages](#) for 2025. Designed to offer an alternative to the traditional festive meal, the packages combine interactive games, food, and drinks to create a more engaging way to celebrate the season.

Experience-Led Festive Gatherings

“

Our venues are designed to get people talking, laughing and playing together. There's no better way to celebrate than with a bit of friendly competition, great food, and festive cocktails.”

Jamie Bylett

The new packages – Spin, Spin+ and Spin Pro – include private gaming areas, festive menus and drink options suitable for both corporate teams and groups of friends. Activities range from bowling and electronic darts to interactive clay shooting and mini golf, with each venue providing a stylish and sociable setting.

Jamie Bylett, CEO of [Spinners UK](#), explains:

“We've seen a real shift towards experience-based celebrations. Many companies are looking for something that encourages interaction and teamwork, rather than the traditional sit-down meal. At Spinners, we've created a space that brings people together through play.”
