

Executive Advisory Veteran Andrew Zezas Launches CFO IQ Podcast for Finance Leaders

Andrew Zezas launches CFO IQ, a peer-to-peer video series offering CFOs and executives insights to drive company growth and strategy.

CALIFON, NJ, UNITED STATES, October 23, 2025 /EINPresswire.com/ -- At a time when companies across industries are responding to a tsunami of economic challenges, veteran corporate advisor Andrew Zezas has launched [CFO IQ](#), a peer-to-peer video interview series that offers sophisticated guidance executives need to achieve objectives for their company and careers.

“

CFO IQ offers executives peer-to-peer insights and actionable strategies from top CFOs to drive growth and achieve meaningful results.”

*Andrew Zezas, Host of CFO IQ;
Publisher & CEO of CFO
Intelligence*

In each podcast, Zezas takes a deep dive with sophisticated CFOs and other noteworthy subject matter experts. Recent guests include decision-makers from such high-profile organizations as the leading global business advisory firm EisnerAmper, IBM, the Kansas City Chiefs, and Daiichi Sankyo.

“When CFOs discover how peers at other innovative companies achieve success and drive outstanding returns, it sparks conversations that lead to improved results for everyone concerned,” highlights Zezas, Host of CFO IQ; Publisher & CEO of CFO Intelligence, and Strategist & CEO of Real Estate Strategies Corporation. “CFO IQ podcasts offer successful executives an exclusive opportunity to tap into the thought processes of their peers and gain insights into how other fast-thinking finance executives have successfully deployed creative approaches to achieve significant results at their companies.”

Accomplished finance executives, as well as those just starting out, will gain outstanding insights into how innovative, nimble finance executives have successfully deployed creative approaches to achieve significant results at their companies. Noteworthy subject matter experts share in-depth intelligence and offer guidance on finance, operations, risk, technology, real estate, M&A, turnarounds, career enhancement, and much more.

Complete interviews can be accessed at CFO IQ: Intelligence Driving Growth.

Each CFO IQ podcast “offers the sophisticated guidance executives need to acquire intelligent

insights and achieve important objectives for their company and their career,” says Zexas. “Regardless of your company’s structure — public, private, or private equity companies, or tax-exempt — CFO IQ cuts through the noise to deliver intelligence that shapes strategy, frameworks that unlock value, and peer perspectives that challenge conventional thinking. If you're building a finance function that's a competitive weapon, not just a scorekeeping operation, this is where you belong.”
