

BC Racing Coilovers in Canada: TooFast Auto Parts Strengthens Access to Premium Suspension Performance

TooFast Auto Parts expands suspension options for Canadian tuners through its BC Racing partnership, offering fast, local access to premium coilovers.

TORONTO, ONTARIO, CANADA, October 23, 2025 /EINPresswire.com/ -- [TooFast Auto Parts](#), a leading Canadian retailer of aftermarket performance parts, is proud to highlight its growing partnership with BC Racing — one of the world's most recognized coilover brands trusted by tuners, track drivers, and automotive enthusiasts worldwide. This collaboration ensures that Canadian drivers now have ****fast, reliable access**** to BC Racing's complete coilover lineup — without cross-border shipping delays or unexpected import costs.

TooFast Auto Parts highlights its growing partnership with BC Racing, giving Canadian drivers fast, reliable access to premium coilover suspension systems.

“

BC Racing blends performance, reliability, and practicality — their coilovers deliver real engineering for enthusiasts who want smarter builds without the import hassle.”

Expanding Canada's Suspension Options

BC Racing has earned a global reputation for engineering excellence and precision manufacturing. Through TooFast Auto Parts, Canadian customers can now explore an extensive range of BC Racing Coilover Kits, including the BR Series, DS Series, and RM Series — each designed to meet the needs of drivers ranging from daily commuters to competitive motorsport professionals.

Each BC Racing coilover kit offers:

- 30 levels of damping adjustment for personalized ride control
- Independent height and preload adjustment
- Monotube shock design for consistent damping performance
- Custom spring rate options for select models

Full rebuildability with replaceable components

With these coilovers stocked directly in TooFast's Canadian warehouse, customers enjoy faster delivery, verified fitment, and support from real enthusiasts who understand the tuning process inside and out.

A Statement from TooFast Auto Parts

"BC Racing is one of those rare brands that blends performance, reliability, and practicality," said a spokesperson for TooFast Auto Parts. "Their coilovers represent real engineering — not just aesthetics. We're proud to bring this level of quality to Canadian drivers who want to build smarter, not harder — and avoid the hassle of international orders and hidden import fees."

Why [BC Racing Coilovers](#) Stand Out

BC Racing coilovers are renowned for their balance of comfort, precision, and customization. Their designs have become a staple across tuning communities worldwide, offering adaptable setups for both street performance and full track builds.

Top-selling BC Racing coilovers now available through TooFast include:

BC Racing BR Series Coilovers – Balanced comfort and performance for street and track

BC Racing DS Series Coilovers – Digressive valving for faster response and enhanced stability

BC Racing RM Series Coilovers – Inverted monotube design for motorsport-level handling and durability

Supporting Canada's Tuning Culture

TooFast Auto Parts' partnership with BC Racing underscores its ongoing mission to support Canada's growing tuning scene. From urban builds in Toronto and Vancouver to high-performance projects in Calgary and Edmonton, TooFast continues to make world-class suspension brands accessible coast to coast.

TooFast Auto Parts is a Canadian retailer specializing in high-performance aftermarket parts, offering verified-fitment products and fast nationwide shipping.

By combining local inventory, verified vehicle fitment, and hands-on customer support, TooFast empowers Canadian enthusiasts to elevate their builds with confidence and precision.
