

Tokumitsu Taanto by Nobuaki Miyashita Wins Silver in A' Interior Design Awards

Nobuaki Miyashita's Captivating Public Restroom Design Shines in International Competition

COMO, CO, ITALY, October 23, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Nobuaki Miyashita's](#) "Tokumitsu Taanto" as a Silver winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional craftsmanship and innovative approach of Miyashita's public restroom design, which masterfully incorporates traditional Japanese elements into a contemporary space.

The Silver A' Interior Design Award serves as a testament to the relevance and impact of Tokumitsu Taanto within the interior design industry. By showcasing the potential of integrating traditional crafts into modern spaces, this design inspires professionals and enthusiasts alike to explore new possibilities in creating immersive and culturally rich environments. The award recognition not only validates the design's excellence but also encourages the industry to push boundaries and embrace innovative approaches.

Tokumitsu Taanto stands out as a captivating interior space that harmoniously blends the beauty of Kanazawa gold leaf, a time-honored Japanese craft, with a sleek, contemporary aesthetic. Over 3,000 meticulously crafted gold leaf tiles adorn the walls, creating an enchanting interplay of light and shadow. The strategic use of indirect lighting against a dark backdrop enhances the luminous effect, enveloping visitors in a mesmerizing golden glow reminiscent of an ethereal chamber.

Tokumitsu Taanto

The Silver A' Design Award for Tokumitsu Taanto not only celebrates the design's excellence but also highlights its potential to inspire future projects and influence industry standards. By demonstrating the successful integration of traditional craftsmanship into a modern context, this recognition encourages designers to explore the rich heritage of their respective cultures and find innovative ways to incorporate those elements into contemporary spaces. The award serves as a catalyst for further experimentation and pushes the boundaries of what is possible in interior design.

About Mr Studio

Mr Studio is an architectural firm based in Japan that designs various types of buildings, including residential homes, commercial facilities, hotels, offices, factories, and schools. The studio aims to provide distinctive added value to spaces, architecture, and landscapes through concept making that reveals the potential needs and identity of projects, along with innovative design. Their field spans a variety of building types, ranging from interior design to large-scale urban development. In each project, Mr Studio carefully interprets the unique context of the site and strives for site-specific architecture that can only exist in that particular place.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that embody excellence and innovation. This prestigious recognition is granted to highly functional and aesthetically pleasing creations, reflecting the designer's deep understanding and skill. Silver A' Design Award recipients are acknowledged for their contribution to raising industry standards and advancing design practices. Their work often incorporates original innovations, makes a notable impact on everyday life, and meets the rigorous criteria of the Interior Space and Exhibition Design category, including innovative use of space, material selection excellence, functional layout design, color scheme mastery, lighting design proficiency, and sustainable design practices.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly respected international competition that promotes excellence in design and innovation within the interior design industry. Welcoming a diverse range of participants, including visionaries, leading agencies, innovative companies, and influential brands, the award provides an opportunity to showcase creativity and gain global recognition. Entries undergo a rigorous blind peer-review process, evaluated by an expert jury panel based on pre-established criteria. The ultimate aim of the A' Design Award, now in its 17th year, is to recognize and promote superior products and projects that advance and benefit society, contributing to a better world through the power of good design.
