BUTLER
SPECIALTY COMPANY

EST. 1930

Since 1930, Butler Specialty Company has served various distribution channels, from e-commerce platforms to big-box stores, interior designers, and hospitality sectors. The company updates its product assortment monthly, maintaining a selection of furniture options for business customers in the United States, Canada, and Europe.

"We work with clients from concept through production, offering a 'Made by Butler, designed by you' experience," said Mr. David Bergman, CEO. "Our design team studies trends, works closely with our factories, and collaborates with our accounts to address product gaps and ensure quality, functionality, and innovation from concept to creation."

Butler Specialty maintains a global network spanning more than 12 countries, sourcing materials that include hardwood, veneers, marble, stone, and metal finishes. The company partners with factories that meet environmental and ethical standards, focusing on responsible manufacturing practices.

For clients developing custom products, Butler Specialty provides services from initial concept to sketch, production, and drop-ship fulfillment. The company's design team brings years of product development experience to these partnerships.

The bathroom vanity collection represents one segment of Butler Specialty's furniture offerings. The company serves business clients through multiple distribution channels, providing product information and customer support services.

Business clients interested in Butler Specialty's bathroom vanity sets or other furniture products can contact the company directly. The company provides services to clients in the furniture retail, interior design, hospitality, and e-commerce sectors.
