

Zhanjiang Chengfa Runyue by Beijing Topace Architecture Design Ltd Wins Silver in A' Interior Design Awards

*Beijing Topace Architecture Design Ltd
Receives Prestigious Recognition for
Innovative Life Lab Center Design*

COMO, CO, ITALY, October 23, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected international design competition, has announced [Beijing Topace Architecture Design Ltd](#) as a Silver winner in the [Interior Space and Exhibition Design](#) category for their exceptional work, Zhanjiang Chengfa Runyue. This prestigious recognition highlights the significance of the A' Interior Design Awards within the interior design industry, positioning it as a notable acknowledgment of superior design and innovation.

The Zhanjiang Chengfa Runyue Life Lab Center design showcases the relevance of innovative interior spaces to modern urban living. By seamlessly blending functionality, aesthetics, and cultural elements, this award-winning design aligns with the evolving needs of young families, offering a dynamic and immersive community experience. The design's practical benefits extend beyond the users, setting new standards for the interior design industry and inspiring future trends in urban lifestyle hubs.

Zhanjiang Chengfa Runyue distinguishes itself through its meticulously crafted interior, which reinterprets local cultural elements using modern design principles. The interplay of light and shadow, combined with thoughtful spatial sequencing, creates diverse living scenarios rich in regional character. The warm, rustic color palette, accented by vibrant furnishings and lush greenery, infuses the space with vitality, fostering a highly interactive social environment for modern families.

Zhanjiang Chengfa Runyue

This recognition from the A' Interior Design Awards serves as a testament to Beijing Topace Architecture Design Ltd's commitment to excellence and innovation. The award not only validates the firm's design capabilities but also inspires their team to continue pushing boundaries and exploring new possibilities in creating spaces that enhance urban living. The Zhanjiang Chengfa Runyue design has the potential to influence industry standards and inspire future projects that prioritize the harmony between people, nature, and the city.

Zhanjiang Chengfa Runyue was designed by the talented team at Beijing Topace Architecture Design Ltd.
