

Ascend Cyber acquires Lello Group, Expanding Capabilities in Compliance Frameworks and ISO Management Systems

Ascend Cyber expands compliance capabilities by acquiring Lello Group. Ascend Cyber to begin offering ISO compliance services to clients.

TAMPA, FL, UNITED STATES, October 23, 2025 /EINPresswire.com/ -- [Ascend Cyber](#), LLC ("Ascend Cyber"), a next generation cybersecurity compliance firm, today announced the acquisition of [Lello Group](#), a consulting company specializing in business operations, ISO management systems, and compliance frameworks. The acquisition, effective October 1, marks a significant milestone in Ascend Cyber's growth, enhancing its capabilities through expanded expertise, increased resources, and a broader portfolio of services.

This announcement follows Ascend Cyber's recent merger with Peak InfoSec and Fathom Cyber, uniting several highly regarded players in the cyber risk, compliance, and defense space delivering CMMC 3rd Party Assessment Organization ("C3PAO") Certification assessments, assessment preparation services, compliance consulting, and CMMC and CUI training. The addition of Lello Group further strengthens Ascend Cyber's position as a market leader by integrating Lello's experienced consultants and established client base into its operations. The acquisition also enhances Ascend Cyber's consulting and assessment service offerings.

As part of the integration, Lello Group will undergo a rebranding to align with Ascend Cyber's identity, and its operations will be fully merged over the coming months.

"The partnership between Lello Group and Ascend Cyber developed in a way that highlighted our shared values and complementary strengths," said Matt Titcombe, CEO of Ascend Cyber. "This alliance isn't just about growth — it's about delivering even greater value to our clients,
