#1 Amazon Best Seller offering comfort, reflection, and journaling prompts for pet owners grieving the loss of a beloved companion.

SAINT LOUIS, MO, UNITED STATES, October 23, 2025 /EINPresswire.com/ -- Certified Grief Educator Jesse Kuhn has achieved a rare milestone—his latest book, [Always Here — When a Pet Dies](#), has reached #1 Best Seller status in all three of its Amazon categories: Death & Grief, Essays, and Miscellaneous (Pet Loss).

Part of Kuhn's growing Always Here series, the book blends short reflections, gentle prompts, and a calming layout to help pet owners navigate the emotional aftermath of losing a beloved companion. Written in the spirit of presence and compassion, it's designed to feel less like a "book" and more like a steady voice beside you when the house feels too quiet.

"Losing a pet leaves a silence most people underestimate," Kuhn says. "This project was built for those moments when words fall short—when you just need to feel less alone."
