“

One of the best parts of our CRA giving program is that it's guided by our employees—the people who live and work in these communities every day.”

These organizations embody the same community-first spirit that drives The Union Bank Company's mission—to make local impact possible through partnership, service, and support.

- Habitat for Humanity Mid-Ohio- helps local families achieve the dream of homeownership through affordable housing and neighborhood revitalization.
- Children's Hunger Alliance- ensures children across Ohio receive nutritious meals, nutrition education, and access to resources that promote lifelong healthy habits.

- Family Mentor Foundation provides weekend food packs to students who face food insecurity, ensuring children have access to meals when school is not in session.

“One of the best parts of our CRA giving program is that it's guided by our employees—the people who live and work in these communities every day,” said Dian Franks, marketing director at The Union Bank Company. “Our team members selected these nonprofits because their missions are close to their hearts. Whether it's building homes, feeding kids, or supporting families in need, these organizations make a lasting difference right here in Central Ohio, and we're proud to stand beside them.”

The Union Bank Company remains deeply committed to serving the communities where its

customers and employees live and work. Through its ongoing CRA giving and volunteer initiatives, the bank continues to strengthen its role as a trusted community partner, helping ensure that every child, family, and neighborhood has the opportunity to thrive.
