

RCM&D and CorePLUS Partner to Launch Exclusive Cyber Insurance Program

The partnership aligns advanced cybersecurity solutions with tailored insurance coverage—helping organizations reduce both risk exposure and insurance costs.

DALLAS, TX, UNITED STATES, October 23, 2025 /EINPresswire.com/ -- With cyber threats on the rise, having the right insurance and security solutions is critical to protecting your organization. RCM&D and CorePLUS are proud to announce a strategic partnership to offer an exclusive cyber insurance program designed to reward proactive cybersecurity practices with better coverage and potential cost savings.

This program is available to any organization that utilizes CorePLUS's cybersecurity solutions. By aligning robust security controls with tailored insurance offerings, the program aims to improve underwriting outcomes for participants and provide both protection and incentives, without unnecessary complexity.

"I am excited that RCM&D and CorePLUS are joining forces to offer our mutual clients an exclusive cyber program that will protect their organizations and enhance the value of their insurance," said Jim Mauser, Senior Vice President and Senior Risk Advisor at RCM&D.

Perks of the Program

- Rewards proactive cybersecurity controls and investments with more competitive insurance rates.
- Greater potential premium savings with multiple security controls and services provided by CorePLUS.
- Opportunity to add coverage enhancements.
- Provides access to additional risk management services that are available through the exclusive cyber insurer program.

"We're thrilled to partner with RCM&D to bring an unprecedented level of value to our clients," said Jay Lamb, CEO of CorePLUS. "By combining our +MITIGATE Managed Security Service Platform with RCM&D's industry-leading cyber insurance solutions, we're helping businesses turn proactive security into measurable financial advantage—reducing both their cyber risk exposure

and the cost of insuring it. This partnership reinforces our shared commitment to protecting organizations through security-first innovation and compliant outcomes.”
