

ShipToBox.com Expands AI-Powered Shop & Pay Platform Ahead of Holiday 2025

ShipToBox.com and PayToMe.co redefine global eCommerce with one checkout, intelligent fulfillment, and secure AI-powered payments across 220+ countries.

NEW YORK, NY, UNITED STATES,
October 27, 2025 /EINPresswire.com/ --

ShipToBox.com, the AI-driven global commerce platform powered by PayToMe.co, the AI-native FinTech company transforming global payments, announced the expansion of its Smart Commerce ecosystem

ahead of Holiday 2025 and Black Friday. Together, the two SaaS marketplaces are redefining the future of intelligent eCommerce by merging AI innovation, FinTech infrastructure, and one-checkout simplicity into a single platform designed for individuals, SMBs, and enterprises — both within the United States and across 220 international destinations.

ShipToBox.com and PayToMe.co are powering the future of shopping — one AI-driven platform where anyone can Shop, Pay, and Ship anywhere in one seamless experience.”
ShipToBox.com

One Checkout. One Platform. Zero Friction. ShipToBox.com eliminates the complexity of shopping from multiple stores by offering a single, unified checkout experience. Customers can buy from Amazon, Macy's, Walmart, Best Buy, and thousands of U.S. retailers without creating separate accounts or re-entering payment details. Powered by PayToMe.co's AI-driven payment gateway, users can pay instantly in local or U.S. currency using text-

to-pay, digital invoicing, or card-on-file options — all backed by enterprise-grade fraud protection and real-time verification across 12,000 financial institutions.

ShipToBox.com is not just about international shopping; it also simplifies domestic purchasing across all 55 U.S. states. Shoppers and resellers in the U.S. can buy sales tax-free from multiple retailers, consolidate their orders, and ship domestically or to any of 220 countries using one

secure platform. This unified Shop & Pay ecosystem delivers convenience, savings, and transparency for every user, regardless of scale or geography.

Why the World Chooses ShipToBox.com

In a world of fragmented online shopping experiences — with multiple carts, payments, and unpredictable shipping costs — ShipToBox.com delivers a single AI-powered solution that connects shopping, payments, and intelligent fulfillment in one place. Through its Expedia-style carrier comparison, users can instantly evaluate real-time rates from FedEx, UPS, DHL, USPS, and Aramex, achieving up to 50% cost savings and faster delivery. Packages are consolidated automatically, and all shipments are optimized via predictive AI routing.

For individuals, ShipToBox.com simplifies buying from multiple U.S. and global retailers with one checkout and one payment. For SMBs, it offers a cost-efficient way to manage orders, inventory, and fulfillment through a visual dashboard. For enterprises, it functions as an AI-powered Commerce-as-a-Service (CaaS) infrastructure — supporting cross-border trade, global reselling, and SaaS-level integrations. Every transaction is frictionless, secure, and optimized by AI.
