

EJAE Releases Debut Single 'In Another World' — OUT NOW

LOS ANGELES, CA, UNITED STATES, October 24, 2025 /EINPresswire.com/ -- Rising singer-songwriter EJAE, known for co-writing and performing the #1 worldwide hit "Golden" from KPOP DEMON HUNTERS, makes her official solo debut with the release of her first single, "In Another World,". The deeply personal track arrives alongside a music video directed by Bryant Hyun, which is available [HERE](#).

Written and performed by EJAE, "In Another World" is a hauntingly beautiful meditation on love, loss, and longing for what might have been. In her recent Ryan Seacrest interview, EJAE shared, "I wrote 'In Another World' during a time when I was questioning every choice I'd made. It's about those quiet moments when you imagine the life you didn't live — and realizing it's okay to miss something and that in another world maybe it would be perfect."

With cinematic production, introspective lyrics, and EJAE's ethereal vocals, "In Another World" marks the arrival of a bold new voice in pop music.

"I've always dreamed of sharing my songs with the world, but I never imagined I'd be the one singing them," says EJAE. "This song — and this moment — feel like I'm finally letting people see who I really am. It's both terrifying and thrilling, but mostly I'm just so excited to be able to share something that's authentically me."

"In Another World" is available everywhere now.
