

Lighting Panels by Form at Wood Wins Silver in A' Luxury Design Awards

Form at Wood's Innovative Lighting Panels Recognized for Excellence in Luxury Design by Prestigious A' Design Awards

COMO, CO, ITALY, October 24, 2025 /EINPresswire.com/ -- [Form at Wood](#), a Polish family-owned company specializing in crafting wooden panels, has been honored with the prestigious Silver A' [Design Award](#) in the [Luxury Design](#) category for their groundbreaking work, Lighting Panels. The A' Design Award is a highly respected and well-recognized accolade in the field of luxury design, celebrating exceptional creativity, innovation, and craftsmanship.

The Lighting Panels by Form at Wood exemplify the company's commitment to pushing the boundaries of traditional wooden wall panels. By seamlessly integrating adjustable LED lighting into premium wooden surfaces, Form at Wood has created a product that not only enhances the aesthetic appeal of any space but also offers practical functionality. This innovative fusion of nature and technology aligns perfectly with the evolving trends and demands within the luxury design industry.

What sets the Lighting Panels apart is their ability to create dynamic visual effects through subtle yet striking illumination. The premium wood's natural texture is beautifully highlighted by the integrated LED lighting, offering a customizable ambiance that can be adapted to suit various interior design styles. Form at Wood's meticulous craftsmanship and attention to detail ensure that each panel is a work of art, elevating the overall luxury experience for users.

Winning the Silver A' Design Award in the Luxury Design category serves as a testament to Form

Lighting Panels

at Wood's dedication to excellence and innovation. This recognition not only validates the company's design philosophy but also inspires them to continue exploring new possibilities in the realm of wooden panel design. By setting new industry standards and influencing future trends, Form at Wood aims to make a lasting impact on the luxury design landscape.

Lighting Panels was designed by the talented team at Form at Wood, including Mateusz Halek and Kamil Schynol. Their expertise in woodworking and passion for creating unique, high-quality products have been instrumental in bringing this award-winning design to life.
