

Ferris Wheel by Shakiba Shariyati Khameneh Wins Silver in A' Jewelry Awards

*Innovative Transformative Jewelry Set
Recognized for Excellence in Design and
Craftsmanship*

COMO, CO, ITALY, October 24, 2025 /EINPresswire.com/ -- The A' Design Award, a highly prestigious and well-recognized award in the field of [jewelry](#) design, has announced Ferris Wheel by [Shakiba Shariyati Khameneh](#) as the Silver Winner in the Jewelry Design category. This innovative transformative jewelry set has been recognized for its outstanding design, craftsmanship, and unique concept that combines tradition, innovation, and mechanical science.

The Ferris Wheel jewelry set is a testament to the power of design to enhance individual experiences and emotional well-being. Its transformative nature, allowing the necklace cabins to be detached and worn as separate earrings, aligns with the growing trend of adaptable and customizable jewelry in the industry. This design not only offers versatility for the wearer but also introduces a novel interactive element that sets it apart from traditional jewelry pieces.

What truly distinguishes the Ferris Wheel jewelry set is its ability to evoke nostalgia and provide a therapeutic experience. The gentle spinning motion of the Ferris wheel structure has been designed to help individuals with focus issues, reducing stress and anxiety through its calming effect. By incorporating this unique feature, Shakiba Shariyati Khameneh has created a piece that goes beyond mere adornment, offering a tangible benefit to the wearer's emotional well-being.

The recognition bestowed by the A' Jewelry Design Award serves as a catalyst for Shakiba

Ferris Wheel

Shariyati Khameneh to continue pushing the boundaries of jewelry design.
