

Entrepreneurs in Iowa are Invited to Join Synchroncare's Growing Medical Device Franchise Network

Opening doors for business owners to serve healthcare providers across the state

IA, UNITED STATES, November 18, 2025 /EINPresswire.com/ -- [Synchrocare, LLC](https://www.synchrocare.com), a trusted leader in the medical device industry since 2005, is pleased to announce that franchise opportunities are now available in Iowa. As the healthcare sector continues to expand and innovate, Synchroncare is seeking motivated entrepreneurs who want to build meaningful businesses by bringing advanced medical technologies to hospitals, clinics, and healthcare providers throughout the Hawkeye State.

Iowa's strong network of healthcare systems, regional hospitals, and community-based clinics presents a promising opportunity for franchise owners to connect providers with high-quality, cost-effective medical devices that enhance patient care and improve efficiency. Through Synchroncare's franchise program, partners gain exclusive access to a curated portfolio of products from top manufacturers, full back-office support, and comprehensive training – equipping them to confidently grow their businesses.

“

Our franchise program empowers people from all walks of life to enter one of the most dynamic and rewarding industries in the country.”

Reza Yazdian, J.D.

“We handle the operations, products, and training, so our

franchisees can focus on what matters most – building trusted relationships with healthcare providers and helping improve patient outcomes,” said Reza Yazdian, J.D., Principal Managing Partner of Synchroncare.

What makes Synchroncare unique is its commitment to ensuring franchisees succeed, regardless of their prior experience in medicine or sales. The company's structured, self-paced training program covers the essentials of anatomy, medical technology, and business development, giving franchise owners the confidence and knowledge to thrive in their local markets.

The medical device industry – currently valued at over \$500 billion and projected to exceed \$650 billion by 2032 – represents one of the most stable and high-growth markets available to entrepreneurs. In Iowa, where healthcare services play a vital role in the state's economy and rural access continues to be a key focus, Synchroncare franchisees have the opportunity to make a lasting impact while building a resilient business.

Synchroncare currently has multiple franchise territories available across Iowa and invites interested candidates to explore this exciting opportunity. Whether you are an experienced sales professional seeking a new venture or an entrepreneur looking to own a purpose-driven business in a recession-resistant industry, Synchroncare offers the framework, training, and support to help you succeed.
