

Holland Ridge Farms Expands U-Pick Tulips: Winter Wonderland for Year Two — Adding First-Ever Drone Light Show Weekend

Holland Ridge Farms' Winter Wonderland returns bigger and brighter with more lights, festive photo ops, and an all-new drone light show weekend!

CREAM RIDGE, NJ, NJ, UNITED STATES, October 28, 2025 /EINPresswire.com/ -- Holland Ridge Farms is proud to announce the return of its celebrated seasonal event, the second annual [U-Pick Tulips: Winter Wonderland](#), opening on November 21, 2025, and running seven days a week through January 4, 2026. After a successful debut, the experience has been expanded and upgraded with dazzling new features—most notably the first-ever Drone Light Show Weekend (Dec 18-20)—making it New Jersey's most compelling holiday destination.

“

Last year exceeded expectations. This year is even bigger — more lights, new entertainment, and interactive features. We want every guest to feel they've experienced something magical.”

Casey Jansen Jr.

What's New for 2025

50,000+ Tulip Lights — This year sees the addition of 20,000 more glowing tulips, bringing the total to over 50,000 illuminated blooms across the farm's fields for a radiant panorama of color.

Windmill Music & Light Show — The farm's iconic Dutch-style windmill steps into the spotlight every 30 minutes with a synchronized light and music performance, creating a focal “wow” moment for visitors.

Drone Show Nights — On December 18, 19 & 20, two nightly shows at 6 pm and 8 pm feature hundreds of drones choreographed to music, lighting up the night sky above the tulip fields in a breathtaking aerial spectacle.

Giant Igloo Snowball Pit — A glowing inflatable igloo filled with over 75,000 “snowballs” offers playful fun for children and adults alike.

Character Meet & Greets — Every Friday and Saturday in December from 5–7 pm: interact with

your favorite holiday characters (Mr. Grinch, Olaf, Elsa and Anna) for photo-ops and festive fun.

All the Favorites from Last Year — Returning attractions include millions of twinkling lights, fresh greenhouse tulips for sale, seesaws and swings bathed in glow, hot chocolate and cocktails, illuminated pony rides, and more.

A Unique Holiday Experience

Unlike traditional holiday light displays, the U-Pick Tulips event merges acres of illuminated tulips with immersive holiday attractions, a Dutch heritage ambiance, and unforgettable photo-friendly moments. “Don’t fly to Holland, drive to Holland,” says the farm’s motto—inviting families, couples, and holiday-seekers to make new memories just a short drive from the tri-state area.

“Last year’s launch exceeded all expectations,” said owner Casey Jansen. “This year, we’ve gone even bigger—more lights, new entertainment and more interactive features. I want every guest to leave feeling like they’ve experienced something truly magical.”
