This emotional Christmas song beautifully expresses the heartache of missing someone amid the twinkling lights of the season

HOLLYWOOD, CA, UNITED STATES, November 4, 2025 /EINPresswire.com/ -- Stonedef Records lights up the holidays with "The Winter Wonders Anthology"—a music collection of new and reissued Yuletide songs from Billboard hit [singer-songwriter Fawn](#), the internationally acclaimed composer, musician, pianist, author, model, actress, and voice-over artist. This Seasonal series kicks off Friday, November 7, 2025 with "[Another Year Without You](#)."

From her Hollywood Hills sound lab retreat, Terrace Studios, Fawn wrote, performed, and recorded this reflective holiday original, collaborating with co-composer and producer Cmix3r. Fawn shared, "Each song I write reflects my life's journey—some drawn from my own experiences, others inspired by the people and relationships that shape me. Music is how I find my way through life's moments." Fawn continued, "'Another Year Without You' reflects the pain of losing someone you shared a deep bond and love with. The holiday season can feel especially hard for those who have lost loved ones or can't be together during this time of year."

Stonedef Records said, "As Fawn weaves her extraordinary musical magic with co-composer and producer Cmix3r, together they create a warm holiday spirit that fills the studio—bringing the joy of the season to life. THE EARLY YEARS Fawn began her entertainment industry career at the ripe age of 6 months old, starring in several National TV Commercials. By the time she was 9 years old, she was doing voice-overs, singing commercials and touring with the world renown children's Chorale directed by Duain Wolfe, as well as training with famed Gwen Bowen in all styles of dance. As a young teenager, her first song Oneday was produced by BT, Brian Transeau (Film Composer for Monster/Fast and Furious) and released by the Oneday Foundation. With all proceeds going to HIV/AIDS families and awareness for the cause, a substantial amount was raised, helping purchase and renovate a large home which serviced 12 states in the United States for all individuals and families in need of care. At age 14 Fawn worked with internationally known French composer Jean Berger', then continued her vocal solo work with Grammy-nominated conductor Paul Salamunovich. She then went on tour in Japan, Hong Kong and China for a few months starring in the musical 'Oklahoma!' before attending Berklee College Of Music in Boston where she won multiple prestigious songwriting awards before moving to Los Angeles.
