A gripping debut that unearths ancient evils and the eternal struggle between redemption and damnation.

OMAHA, NE, UNITED STATES, October 26, 2025

/EINPresswire.com/ -- Emerging author [Edward Lillion](#) announces the release of his debut novel, [The Old Lords](#), a chilling supernatural thriller that delves into the battle between Heaven's betrayed angels and the fallen Ones who seek to rise again. Blending political intrigue, theology, and horror, Lillion's story confronts the nature of power, corruption, and the human soul.

About the Book

When journalist Damian Hunter's wife falls into an unexplained coma, his desperate search for answers thrusts him into the secret underworld of vampire politics, demonic possession, and conspiracies older than civilization itself.

Twelve years after vampires revealed themselves to humanity, a hidden Council of seven immortal lords manipulates global wealth, power, and blood. At its center sits Luciaus, an ancient being born of a cursed ritual—ruling from the Red Throne with charisma and cruelty in equal measure.

But something even older is awakening. Shadows move in hospital corridors. Whispers fill Damian's dreams. And an ancient book—the NarShian—may hold the key to saving his wife... or destroying his soul.

From ancient Austria to modern Boston and Vienna's blood-soaked palaces, *The Old Lords* spans continents and centuries as Damian unravels a cosmic war that has never truly ended. As he descends deeper into the darkness, he discovers that the greatest battle may not be between angels and demons—but within himself.

A blend of supernatural horror, political conspiracy, and spiritual reckoning, *The Old Lords* invites readers into a world where faith falters, evil evolves, and the line between redemption and ruin blurs forever.
