NEW YORK CITY, NY, UNITED STATES, October 27, 2025 /EINPresswire.com/ -- [Yuno](#), the leading global payment orchestration platform, today announced the appointment of Javier Perez, former President of Mastercard Europe and current Founder and Managing Partner of [Global PayTech Ventures](#), to its Board of Directors. This strategic move underscores Yuno's ambition to redefine the global payments landscape and accelerate its mission to become the world's premier payment orchestration solution.

Perez brings over 30 years of experience in the payments industry, including a transformative 15-year tenure as President of Mastercard Europe, where he spearheaded the merger with Europay and guided Mastercard through one of the most successful fintech IPOs in history. Under his leadership, Mastercard Europe became a recognized leader in payments technology innovation and was declared systemically important by the European Central Bank. Today, as the founder of Global PayTech Ventures, Perez continues to shape the future of payments by investing in and advising cutting-edge paytech startups worldwide.

"Javier's unparalleled expertise and visionary leadership in payments technology make him an invaluable addition to Yuno's board," said Juan Pablo Ortega, Co-Founder and CEO of Yuno. "His experience scaling global payment ecosystems and mentoring high-growth companies aligns
