

Orange TV App Launches on Titan OS Devices in France

BARCELONA, BARCELONA, SPAIN, October 28, 2025 /EINPresswire.com/ -- Titan Operating System S.L. (Titan OS), the Barcelona-based technology, entertainment, and advertising company, today announced the launch of the Orange TV app on Titan OS devices in France. Starting today, the app will be available on all Titan OS-powered Smart TVs.

The Orange TV app offers Orange residential subscribers access to one of the most comprehensive content portfolios in France - including 200 live TV channels, the replay, premium series and movies, documentaries, football and other major sports. Once activated, Orange customers can enjoy the app across any device and network, offering a unique experience with the Start Over, private video recorder for ultimate flexibility and convenience.

"The arrival of Orange TV on Titan OS marks another important step in our mission to bring premium content and effortless discovery to millions of households across Europe," said Ismael Velasco, Business Development Lead Southern Europe & LatAm at Titan OS. "French viewers can now experience Orange's rich entertainment ecosystem directly on Titan OS-powered devices, combining powerful technology with exceptional content choice."

The integration of Orange TV underlines Titan OS's commitment to delivering a wide variety of high-quality entertainment and supporting leading content providers in reaching audiences across Europe's Connected TV landscape.
