RVOU, developed by Escapees, provides a comprehensive, self-paced education platform designed to equip RVers with the knowledge and confidence they need to travel safely and responsibly. The full course catalog includes:

- RV Foundations: Operation, Safety, and Maintenance Course
- Roadmap to Full-Time RVing Course

Not only can new Members join for just \$49.95 to get access to the benefit, but pre-existing Escapees Members who've purchased any of the RVOU courses in the past six months will receive a refund from Escapees RV Club, so that valuable RV education is truly free for all!

This major addition enhances the club's longstanding commitment to supporting RVers of all experience levels and contributes to the overall health and growth of the RV industry.

By making this professional-level training accessible to all members, Escapees aims to remove financial barriers to RV education and promote a culture of safety and community within the lifestyle.

“Education is empowerment,” said Kerensa Durr, Senior Manager of Community and Events at Escapees RV Club and RVOU Instructor. “We believe that every RVer should have access to the tools and knowledge they need to stay safe and enjoy the journey. By including RVOU with membership, we’re not just adding value, we’re strengthening the foundation of the entire RVing community.”

This move also supports the broader RV industry by encouraging new participants to enter the lifestyle with confidence. Dealers, manufacturers, and service providers benefit from more informed and safety-conscious RV owners, ultimately improving customer satisfaction and retention.
