

Resource Depot Launches REthink REtail Holiday RESale – Encouraging Shoppers to Think Twice Before They Buy

Special Holiday Shopping Event Offers Festive, Pre-Owned Treasures and Sustainable Tips for the Season

WEST PALM BEACH, FL, UNITED STATES, November 5, 2025 /EINPresswire.com/ -- WHAT: This holiday season, [Resource Depot](#) invites the community to reimagine gift-giving and decorating with purpose. From November 8, 2025, through January 3, 2026, shoppers can explore the [REthink REtail Holiday RESale](#) at Resource Depot in West Palm Beach—a joyful, eco-friendly shopping experience filled with festive, pre-loved, and discounted decorations and treasures.

Every purchase supports Resource Depot's creative reuse programs, giving new life to items (ranging wrapping paper to holiday decorations to books to houseware items and more) that might otherwise end up in the landfill. This year's theme, "Think Twice Before You Buy," encourages everyone to make more thoughtful, sustainable choices this holiday season.

TIPS TO THINK TWICE BEFORE YOU BUY:

- Buy less stuff. When you need something, try finding it secondhand first.
- Do your homework. Ask where products come from—just like you might with your food.
- Choose quality. Support companies that offer warranties and repairable goods and always try to fix items before tossing them.

-Shop small and local. □Your dollars make a bigger impact when they stay in the community.

-Pause before purchasing. □A little planning can lead to incredible finds and less waste—fight the convenience!

“Every purchase at Resource Depot supports our mission to inspire creative reuse and reduce waste,” said Jennifer O’Brien, Executive Director of Resource Depot. “This holiday season, we want shoppers to have fun finding unique treasures—while also thinking differently about how their choices impact the planet.”
