

Serenity Blue by Kris Lin Wins Silver in A' Interior Design Awards

Kris Lin's Innovative Model House Design, Serenity Blue, Receives Prestigious Recognition at the A' Interior Design Awards

COMO, CO, ITALY, October 28, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Kris Lin](#) as a winner in the Interior Space and Exhibition Design category for the innovative model house design, Serenity Blue. This prestigious award celebrates Kris Lin's exceptional talent and creativity in crafting a living space that seamlessly blends functionality, aesthetics, and environmental consciousness.

Serenity Blue's recognition at the A' Interior [Design Awards](#) holds

significant relevance for the interior design industry and potential customers alike. The design showcases a forward-thinking approach to creating living spaces that prioritize family interaction, artistic expression, and sustainability. By setting new standards in interior design, Serenity Blue inspires both industry professionals and homeowners to embrace innovative design solutions that enhance quality of life while minimizing environmental impact.

What sets Serenity Blue apart is its masterful use of color, material, and layout to create a vibrant yet serene living environment. The design centers around a refreshing Tiffany Blue hue, which infuses the space with a sense of vitality and tranquility. Innovative techniques, such as the bending of large-format rock slabs, allow for stunning curved surfaces that add visual interest and a sense of flow. The careful selection of eco-friendly materials, including recyclable jade glass, ensures durability and sustainability without compromising on luxury.

Serenity Blue

The recognition bestowed upon Serenity Blue at the A' Interior Design Awards serves as a testament to Kris Lin's commitment to pushing the boundaries of interior design. This achievement is expected to inspire future projects within the Kris Lin International Design studio, fostering a culture of innovation and excellence. As the team continues to explore new possibilities in creating living spaces that harmonize art, functionality, and environmental stewardship, Serenity Blue stands as a beacon of inspiration and motivation.

Team Members

Serenity Blue was brought to life through the collaborative efforts of a talented team. Kris Lin, the project director, provided the creative vision and oversaw the design process. The team also included expert designers who specialized in color coordination, material selection, and spatial layout, ensuring that every aspect of Serenity Blue was carefully considered and flawlessly executed.
