

AAGH Launches AAG Locum Tenens: A Smarter Way to Connect Physicians and Healthcare Facilities Nationwide

Alpha Apex Group Health has launched AAG Locum Tenens, a new job platform and locum tenens agency designed to make it easier for healthcare professionals.

TX, UNITED STATES, October 30, 2025 /EINPresswire.com/ -- Alpha Apex Group Health has launched AAG Locum Tenens, a new job platform and [locum tenens agency](#) designed to make it easier for healthcare professionals and facilities to find each other.

This platform takes the stress out of temporary staffing by helping medical providers find short- and long-term assignments. It also makes it easier for hospitals and clinics to fill critical gaps. AAG Locum Tenens blends smart tech, transparency, and solid staffing know-how to improve how locum roles are managed for both sides.

FIND PHYSICIAN JOBS ACROSS THE COUNTRY ON YOUR TERMS

Right now, the AAG [locum tenens physician jobs](#) posted include 850+ active jobs from 75+ healthcare partners. These include a wide range of positions, from nurse practitioners and CRNAs to allied health roles, available in all 50 states. The platform has a 95% success rate in matching professionals to the right roles.

Here's what professionals can expect:

- Flexible scheduling: Assignments range from 8 to 52 weeks, with options tailored by state and

specialty

- Competitive pay: Clear pay rates, weekly pay options, and full benefits for eligible roles
- 24/7 support: Help with credentialing, housing, and travel when you need it
- Career growth: Opportunities in hospitals, outpatient clinics, and specialty facilities

Because the platform works directly with verified employers, it avoids the usual paperwork delays that come with traditional temporary physician staffing.
