ASAKUSA, TAITO-KU, TOKYO, JAPAN, October 31, 2025 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce the latest addition to the Real Elite Masterline series: Catwoman from DC Comics' "Batman: Hush". This 1/3 scale statue is based on the iconic storyline illustrated by Jim Lee, known for its detailed portrayal of Gotham's heroes and villains.

Real Elite Masterline Batman: Hush (Comics) Catwoman

Catwoman is sculpted in a rooftop pose inspired by her appearances in the comic. The statue reflects the design and atmosphere of the story through realistic sculpting and detailed paintwork.

The head is carefully crafted to show depth and subtle expression, with finely painted eyes, lips, and skin tone. Her suit has a sleek, enamel-like finish that complements the nighttime setting.

The base design incorporates symbolic elements from Gotham City, including an angel statue, two cats, and hidden treasures beneath the brick structure.

The statue comes with interchangeable parts, including optional head sculpts and left arms, allowing for multiple display options. The Deluxe Bonus Version additionally includes an unmasked portrait of Selina Kyle.
