COMO, CO, ITALY, October 29, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [packaging](#) design, has announced Seven Hills Whisky by [Dorottya Gajdos](#) as a Silver Winner in the Packaging Design category. Seven Hills Whisky's packaging design stands out for its modern and refined approach, which elegantly represents the whisky's unique smoky essence. The handcrafted beechwood screw cap, made from the same wood as the aging barrels, highlights the harmony between the maturation process and natural materials.

This recognition from the A' Packaging Design Award serves as motivation for the Sevenhills

Distillery team to continue striving for excellence and innovation in their future projects. The award inspires the brand to further explore and refine their design approach, fostering creativity and pushing the boundaries of packaging design within the industry.

Seven Hills Whisky was designed by the talented team at Graphasel Design Studio, including Designer János Pintér and Art Director László Ördögh. The stunning photography was captured by Bence Szabó- ABorfotós. The project was commissioned by Seven Hills Distillery Kft.
