About the [Meryl & Ron Gallatin Tzedakah, Learning & Chesed \(TLC\) Program](https://btcboca.org/community/tlc-program/)

The TLC Program of B'nai Torah Congregation, led by Summer Faerman, is B'nai Torah's official source for meaningful Mitzvah opportunities that help make a difference in the community and throughout the world. A Mitzvah is any of the 613 commandments that Jewish people are encouraged to observe, and more generally refers to any good deed. The 'Mitzvah of Tzedakah' – giving to charity – is one of the most important and is a common component of synagogue life. At B'nai Torah, the commitment to acts of Mitzvot is a critically important focus. The TLC program was developed to teach the core Jewish value of Tzedakah – through learning and action – to people of all ages within the congregation. It was first founded in 2012 and has continued to grow in size and scope. This flagship Mitzvah program touches all areas of critical need including hunger, homelessness, literacy, elder care, vulnerable populations, special needs and more.
