

The Differents Expands Treatment Offerings with New Outpatient Addiction Program & Specialized Trauma Therapy Workshops

The Differents expands its care with a structured outpatient program and trauma therapy workshops, deepening its client-centered healing approach.

RENO, NV, UNITED STATES, October 29, 2025 /EINPresswire.com/ -- The Differents, a trusted provider of detox and residential addiction treatment, is proud to announce the expansion of its continuum of care with the addition of a structured [outpatient program](#) and specialized [trauma therapy workshops](#). This new offering reinforces The Differents' commitment to helping individuals heal deeply and sustainably through compassionate, client-centered care.

With the launch of outpatient services, clients can now continue their recovery journey in a more flexible setting while maintaining access to the same high-quality therapeutic support that The Differents is known for. This level of care is ideal for individuals transitioning from detox or residential treatment, as well as those who may not require 24/7 supervision but still need consistent clinical guidance and emotional support.

Comprehensive Treatment Now Includes:

- Outpatient addiction treatment (OP) with flexible scheduling for continued clinical support
- Residential treatment for immersive, structured recovery
- Medically supervised detox to ensure safety and comfort during withdrawal
- Trauma therapy workshops designed to help clients process emotional wounds and build resilience

A Trauma-Informed Approach to Lasting Recovery

The Differents' new trauma therapy workshops are facilitated by experienced clinicians who

specialize in trauma-responsive care. These workshops provide a safe environment for exploring past experiences, developing coping skills, and rebuilding emotional safety through modalities such as CBT, EMDR-based interventions, mindfulness-based therapy, and experiential healing practices.

By integrating trauma-focused care with addiction recovery, The Differents ensures clients receive a deeply personalized treatment experience that supports true transformation—physically, emotionally, and psychologically.
