

MyPhysicianPlan Closes Seed Round Supported by NJEDA to Expand Healthcare Access Nationwide

MyPhysicianPlan offers smart healthcare choice for international travellers and students, small businesses and individuals

NORTH BRUNSWICK, NJ, UNITED STATES, November 4, 2025 /EINPresswire.com/ -- [MyPhysicianPlan](#), Inc., a New Jersey-based health-tech company revolutionizing accessible, affordable healthcare, announced it has closed its Seed Round in October 2025, backed by private investors and a matching investment from the New Jersey Economic Development Authority (NJEDA) through the Angel Match Program.

The funding will accelerate MyPhysicianPlan's mission to make premium healthcare at affordable prices accessible to everyone—including small-business employees, gig workers, and international visitors to the U.S.

"This round validates our mission to remove barriers and make quality care affordable for all," said Ramdev Regulapati, Co-Founder and CEO of MyPhysicianPlan. "NJEDA's support enables us to scale our technology and partnerships faster than ever."

"Our vision is to simplify healthcare with automation and transparency," added Gaurav Gupta, Co-Founder and CTO. "This investment allows us to expand nationwide, building on our success in New Jersey."
