Introducing the Mock Neck Golf Polo

The Mock Polo Shirt is the newest addition to Avalon's [Men's Golf Polo](#) Collection. It departs from traditional polos with the unique mock collar and luxury fabric. Avalon has developed a proprietary Jacquard polyester/spandex blend

that feels buttery soft against the skin while delivering stretch and breathability (through micro holes) to keep golfers performing at their best. Staying true to the brand, the shirt features a

modern, slim fit silhouette that tapers at the midsection for a sleek, form fitting look. A subtle mock collar (often described as a mock turtleneck golf shirt) replaces the classic polo collar, while tapered sleeves and a perfectly proportioned length make it equally suited for tucked or untucked styling.

Men's Golf Shirts Designed for Performance & Style

Luxury lies in the details. From the luxury jacquard fabric to meticulous construction, the [Tour Mock Neck Golf Polo](#) impresses at every clubhouse. Choose from 5 colors red, dark teal, black, deep navy and light gray. Discreet Avalon Golf branding includes raised silicone logos featuring the iconic Avalon Albatross on the front chest and the Avalon Golf wordmark on the back neck. An integrated airflow vent mesh beneath the mock collar helps regulate body temperature on hot days. 4-way stretch gives superior comfort and mobility on all your swings.

A Mock Turtleneck Golf Shirt That Delivers Beyond the Fairway

Although engineered for peak performance on the fairways, the Mock Collar Golf Shirts transitions easily to the office, a dinner outing, or relaxed weekend lounging. Its unrivaled comfort and refined aesthetic make it an ideal everyday mock collar shirt for any occasion.

The Tour Mock Golf Polo is available now in five colors and five sizes (S–XXL). For additional details on the Avalon Golf Mock Neck Golf Polo collection, please visit avalongolf.co.
