

Proactive MD Expands Physical Therapy Access with Recent Acquisitions

Healthcare innovator has acquired numerous Physical Therapy practices in Florida

TAMPA, FL, UNITED STATES, October 30, 2025 /EINPresswire.com/ -- National

leader in value-based care, Proactive MD®, has announced the acquisition of multiple physical therapy practices throughout Florida. This expands the organization's impact and enables Proactive MD to further grow its reach and enhance patient access through value-driven solutions.

This announcement follows recent urgent and primary care acquisitions in Texas and Tennessee, and integrated health acquisitions in Virginia and Ohio. With these additions, Proactive MD further improves its capacity to deliver physical therapy solutions that drive better patient outcomes and lower costs. This growth reinforces the company's commitment to transforming employer-sponsored healthcare and fostering strong partnerships with health plan providers and third-party administrators.

"Expanding our network to include these physical therapy practices strengthens our ability to deliver whole-person care," said John Collier, Founder and Chief Executive Officer of Proactive MD. "Through this growth, we're ensuring patients have direct access to experts who can help them recover faster, improve function, and achieve lasting wellness."

Since initiating a dynamic growth strategy in 2021, Proactive MD has continuously broadened its offerings to include clinical diagnostics, pathology services, occupational health, virtual and urgent care, healthcare technology, pharmacy products, and an exclusive network of 340B pharmacy providers.

The organization's integrated approach uniquely positions it as the only national primary care provider to own and operate its own labs, pathology groups, pharmacies, 340B networks, and healthcare technology platforms. Proactive MD's comprehensive model is redefining the healthcare experience for patients, employers, and providers alike. □
