of growth by translating the firm's values and vision into compelling [media](#). Through this collaboration, SAGE and Glass Door Studios will translate the firm's principles of ethics, innovation, and leadership into dynamic storytelling and visual experiences.

"As our company marked its tenth anniversary, we reflected on a decade of helping entrepreneurs and executives build legacy businesses that align people, purpose, and profit," said Founding Attorney, Danielle Hudson Laughlin. "The next step was clear: to expand SAGE's mission beyond counsel and into culture."

Hudson Laughlin recently launched Four Visions Media, a media production company created to amplify SAGE's message through storytelling, visual media, and live experience.

"Building on this milestone, the partnership with Glass Door Studios will extend through a series of future events and productions, beginning with SAGE's flagship event set to take place in Milan, Italy in the Spring of 2026," notes Hudson Laughlin. "Together, both companies will create platforms where business, creativity, and ethics converge to amplify the voices of leaders who are shaping industries with conscience and inspiring others to pursue growth with purpose."

Glass Door Studios is a full-service production company specializing in creating powerful, purpose-driven media that connect brands with audiences through authentic storytelling. The studio's expertise includes video production including commercials, branded content, social media, and campaign videos. Glass Door produces podcasts, audiobooks, and broadcast-quality experiences and has worked with Fortune 100 Companies and Networks, including Warner Brothers, Disney, Apple, Netflix, and others.

“For Glass Door Studios, the collaboration expands its creative reach through alignment with a values-driven partner whose commitment to excellence and authenticity mirrors our own,” said Founder and President of Glass Door Studios, Jeremiah Bennett. “Together, the partnership blends strategic insight with creative execution, establishing a new standard for how media can shape perception and build legacy by amplifying voices that build culture and community.
