CHICAGO, IL, UNITED STATES, November 1, 2025 /EINPresswire.com/ -- Houzeo, America's best home buying and selling website, is proud to announce the launch of its "Safest Places to Live" landing pages. The list highlights the top cities in Illinois with the lowest violent and property crime rates, providing homebuyers with objective insights on their house-hunting journey.

The core strength of Houzeo's ranking methodology is its commitment to transparency. Houzeo combines these critical metrics with user-generated feedback and trusted public data to create an all-encompassing view of each location's safety score.

According to Houzeo, Arlington Heights is the safest city in Illinois, with an exceptionally high safety score of 94 out of 100. Suburbs like Schaumburg, Des Plaines, and Westmont deliver an excellent combination of safety and affordability. With strong community policing and median home prices under \$420K, these suburbs are a smart pick for buyers who prioritize safety and value close to Chicago.
