DUBAI, UNITED ARAB EMIRATES,
November 13, 2025 /

EINPresswire.com/ -- Ikione Systems, a leading IT product company serving insurers as well as wealth and asset managers across the Nordics and Central Europe, today announced the launch of its UAE operations at an exclusive event at Radisson Blu, Waterfront, Business Bay, Dubai.

The launch was graced by H.E. Yaqoob Al Ali as Chief Guest, underscoring the UAE's commitment to innovation, entrepreneurship, and digital transformation. His Excellency commended Ikione's vision to empower financial and insurance ecosystems through intelligent, human-centric technology, aligning seamlessly with the UAE's forward-looking digital agenda.

This strategic expansion marks Ikione's commitment to bringing its cutting-edge platforms to the GCC region, starting with the Dubai, UAE as its operational hub. The company offers two flagship products:

- Huston – A SaaS Insurance Core Platform designed for compliance, scalability, and modular deployment
- PortfolioX – A next-generation Wealth & Asset Management Platform supporting traditional and neo assets

Financial institutions in the Middle East are accelerating digital transformation to meet evolving customer and regulatory expectations. Ikione brings proven domain expertise and production-grade platforms to help insurers and investment firms modernize their core, launch products faster, and unlock data-driven growth—securely and at scale.

Event: Radisson Blue, Waterfront,
Business Bay, Dubai.; 18:30 onwards

Sachin Kulkarni, CEO of Ikione Systems, says, "Our research and discussions with the key stakeholders in the UAE market have been very encouraging of the opportunity. Dubai will be the hub of our operation in this region. I am sure the market will greatly benefit from our state-of-the-art insurance, wealth and asset management solutions."
