Award Winning Home Renovations in Dartford, UK

The team was polite, trustworthy, and very easy to communicate with throughout the whole project. It gave me peace of mind knowing that I could rely on them to take care of everything, and they truly did a fantastic job.

I would highly recommend Gurra Construction Ltd to anyone looking for high-quality renovation or construction work. If you want reliability, professionalism, and excellent results, this is the company you can fully trust."

"If I could give 11 stars, I would. Erigels and Gurra Construction Ltd just completed a full refurbishment of my top-floor maisonette, and the results are nothing short of exceptional. The scope of work included replacing the carpet with vinyl engineered flooring, eliminating squeaky floorboards throughout the flat (a key goal of mine), installing new radiators in updated positions, and replacing all doors, architraves, and skirting boards. They also replastered the walls, added ceiling spotlights in two rooms, fully renovated the kitchen and bathroom—including relocating the washing machine to the bathroom—and upgraded the loft with a new wooden ladder. On top of all that, they installed a new window, boiler, and fuse box.

What truly stood out was Eri's dedication and professionalism. He conducted thorough research to tackle the noise from the floorboards, showing real care for my comfort and for my downstairs neighbours. Communication was excellent—I could reach him anytime with a question, and he kept me updated on every decision and purchase.

Eri worked with the same care and attention to detail as if he were renovating his own home. He helped me choose the new bathroom, and I couldn't be happier with the final outcome. The bathroom looks stunning, the kitchen is finished to the highest standards, and—best of all—the new flooring is completely silent!

Eri is not only incredibly skilled but also kind, honest, hardworking, and solutions driven. Nothing was too difficult, and his calm, can-do approach made the whole experience stress-free as we had to use the property while it has been renovated. I wholeheartedly recommend Gurra Construction and will absolutely call on them again for future projects."

The Gurra Construction team consistently goes above and beyond to ensure outstanding project

results for every client.
