Guests were also witnesses to the unveiling of the first-ever Doral Police Department vehicle wrapped for Domestic Violence Awareness, which served as a visual reminder that the city stands with survivors year-round and a symbol of unity.

"We believe that recognition is powerful tool," said Elias Levy, Owner of Awards TrophyWorld. "It was an honor to support the Perla de Esperanza Foundation and their mission of empowering survivors in our community."

The Perla de Esperanza Foundation was formed with the main purpose of supporting and enhancing the lives of women and children who have faced domestic violence. With the Purple & Pink Ribbon Luncheon, the organization created an event that brought together the community to honor both domestic violence and breast cancer fighters, as well as their families and loved ones.

"Creating meaningful awards for such a powerful cause reminds us why we do what we do," said Levy. "We love our community and supporting organizations that honor courage, resilience, and achievement in every form."
