Peralta Associates & Defense Partners with JVS SoCal to Host Job Fair Promoting Employment Opportunities for Veterans Across California

LOS ANGELES, CA, UNITED STATES, November 2, 2025 /EINPresswire.com/ -- Peralta Associates & Defense, a leading provider of professional security and defense services, is proud to announce its partnership with JVS SoCal to host a statewide Veteran [Employment](#) Job Fair, dedicated to connecting military veterans with meaningful career opportunities across California.

This collaborative initiative underscores Peralta Defense's ongoing commitment to empowering veterans by providing structured, stable, and rewarding employment pathways as they transition into the civilian workforce.

Peralta Defense

"Our veterans possess unmatched leadership, discipline, and integrity, the same qualities that make exceptional professionals in the security and defense industries," said Eddie Peralta, Founder and CEO of Peralta Associates & Defense. "Through this partnership with JVS SoCal, we're not only offering jobs; we're creating careers and rebuilding purpose for those who've served."

Empowering Veterans Through Purposeful Employment

The Peralta Defense hiring initiative aims to expand access to high-quality positions throughout California, from security operations and logistics to leadership and training roles. Veterans will have the opportunity to meet directly with hiring managers, receive on-the-spot interviews, and

learn about specialized training and certification programs designed to enhance their professional development.

JVS SoCal, a long-standing leader in workforce development, brings extensive experience in veteran employment services. Together, the two organizations are bridging the gap between military talent and industry opportunity, fostering a culture of respect, inclusion, and advancement.

“Our mission aligns perfectly with Peralta Defense’s vision,” said Jesse Palacios. “By connecting veterans with employers who value their experience and dedication, we are building stronger communities and stronger futures.”
