WHERE ART MEETS IMPACT

Art for Impact is a [Do Something Cool Foundation](#) initiative that transforms art collecting into a powerful force for social good:

Our model, the "Art for Impact flywheel," is simple:

- Discover Emerging Artists: We feature a vetted roster of community-certified emerging artists, giving collectors access to their work.
- Purchase with Purpose: Every dollar spent on art or donated to a campaign becomes a dollar given to charity. Every purchase automatically triggers a matching donation, allowing your passion for creativity to directly fuel positive change.
- Grow Together: Our platform creates aligned incentives. When you invest in an artist, you're motivated to help them succeed because their success directly increases your collection's value. Collectors become advocates, artists gain support, and our charitable impact amplifies with every purchase.
