

Sunrise by Gabriela Casagrande Receives Silver in A' Interior Design Awards

Gabriela Casagrande's minimalist apartment design, Sunrise, earns prestigious Silver A' Design Award for its innovative use of space and natural light.

COMO, CO, ITALY, November 3, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Gabriela Casagrande's](#) Sunrise Apartment as a Silver winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Casagrande's innovative and minimalist approach to creating a serene and functional living space that seamlessly integrates with its surroundings.

The Sunrise Apartment's recognition by the A' Interior Space, Retail and Exhibition Design Award underscores its relevance to current trends and needs within the interior design industry. By prioritizing natural materials, soft tones, and an open layout, the design aligns with the growing demand for spaces that promote well-being and balance in daily life. This award serves as a testament to the practical benefits of Casagrande's design for users, the industry, and other stakeholders, emphasizing its utility and innovation.

Casagrande's award-winning design stands out for its strategic use of natural light and seamless integration of custom millwork. The minimalist approach eliminates excess, focusing on essential elements that enhance the sensory experience through carefully selected materials and colors. Signature pieces, such as the custom gourmet table and the Dolomite Armchair, inspired by the Serra Paranaense, reinforce the project's unique identity and sense of lightness.

The Silver A' Design Award recognition for the Sunrise Apartment has the potential to inspire future projects and directions within Gabriela Casagrande Arquitetura. This achievement serves as motivation for the studio's team to continue striving for excellence and innovation in their designs, fostering further exploration of minimalist principles and the integration of architecture and well-being.
