VFAF Veterans for America First endorsement of Lt. Col David Flippo:

David Flippo is a retired U.S. Air Force Lieutenant Colonel and battle-tested leader who has dedicated his life to serving our country. He commanded over 1,000 Airmen and helped establish operational bases in Iraq during active combat operations, later overseeing maintenance operations for more than 72 combat aircraft in Alaska. After military service, he continued supporting national security by helping protect critical energy infrastructure on Alaska's North Slope. Now a Nevada small business owner, Flippo understands the economic challenges facing families and local businesses. He brings proven leadership, accountability, and a commitment to defending Constitutional freedoms. He served our nation in uniform and is ready to continue that service in Congress.
