

LEORON Institute and King Faisal Specialist Hospital & Research Centre Sign MoU to Advance Healthcare Workforce

RIYADH, SAUDI ARABIA, November 3, 2025 /EINPresswire.com/ -- [LEORON Institute](https://www.einpresswire.com/leoron-institute) is pleased to announce the signing of a Memorandum of Understanding (MoU) with King Faisal Specialist Hospital & Research Centre (KFSHRC), one of the Middle East's leading healthcare institutions. This strategic agreement aims to strengthen the professional development of KFSHRC's clinical and administrative staff through high-impact learning programs aligned with international best practices.

LEORON Institute CEO Arben Jusufi and Dr. Esam Albanyan, Chief Education & Training Officer at KFSHRC, sign an MoU at the Global Health Exhibition - معرض الصحة العالمية in Riyadh.

The MoU was formalized during the Global Health Exhibition 2025 in Riyadh, where Mr. Arben Jusufi, CEO of LEORON Institute, and representatives from KFSHRC signed the agreement.

“

By working closely with a globally recognized institution like KFSHRC, we're helping to build a sustainable framework for continuous professional growth.”

Arben Jusufi, CEO of LEORON Institute

Under this initiative, LEORON Institute will collaborate with KFSHRC to design and deliver accredited, role-specific training programs that support career development, encourage continuous learning, and equip healthcare professionals to navigate ongoing change in the industry. The programs will span clinical and operational areas, combining LEORON global training expertise with KFSHRC's commitment to healthcare excellence.

"This partnership underscores our long-standing commitment to enabling real transformation through targeted learning. By working closely with a globally

recognized institution like KFSHRC, we're not only addressing immediate training needs but also

helping to build a sustainable framework for continuous professional growth. Together, we aim to equip healthcare professionals with the skills and certifications needed to excel in an increasingly complex environment - while directly contributing to the Kingdom's broader vision for a world-class healthcare system."
