

Vein & Wellness Centers of Texas Celebrates One-Year Anniversary

COPPELL, TX, UNITED STATES, November 3, 2025 /EINPresswire.com/ -- [Vein & Wellness Centers of Texas](#) is proud to commemorate its first anniversary, celebrating 12 months of delivering compassionate, high-quality vein care and overall wellness support to the Dallas-Fort Worth community. Since opening its doors, the practice has distinguished itself by combining cutting-edge vein treatments with personalized, patient-focused care under the banner "Healthy Feels Good."

Over the past year, Vein & Wellness Centers of Texas has treated patients suffering from varicose veins, spider veins, restless legs, leg swelling, cramping, and other venous conditions using minimally invasive techniques such as radiofrequency ablation, laser therapy, foam sclerotherapy, and vascular pain management. The Center is located at 137 E. State Hwy 121, Building D, Suite 100, in Coppell, TX.

The Vein & Wellness Centers of Texas team celebrates one year of patient care and growth in Coppell, TX.

"Reflecting on our first year, I'm deeply grateful for the trust our patients have placed in us," said [Dr. Satish Vayuvegula, MD, MS, FAVLS, DABVLM](#), lead physician at Vein & Wellness Centers of Texas. "This milestone isn't just about time elapsed - it's about every life we've touched, every leg that feels lighter, and every patient who has regained confidence. We remain committed to expanding access, improving outcomes, and delivering care that feels both expert and human."

Dr. Cindy Brooks, MD, who brings expertise in precision medicine and peptide therapy to the practice, added, "Being part of this team has shown me how powerful it is when wellness and vein health are approached holistically. Our goal is never simply to treat symptoms, but to help patients thrive - to restore mobility, ease discomfort, and support long-term vascular health. I look forward to building on this foundation in year two and beyond."

This milestone isn't just about time elapsed - it's about every life we've touched, every leg that feels lighter, and every patient who has regained confidence."
